Legal Basis (98.0%), Processing (82.3%), Required Purpose (71.1%):

We will respond within the time frame required under applicable laws.

Legal Basis (66.3%):

It's your right to opt out of automated decision-making (decisions based solely on autonomous decision-making, that is, a decision made without human involvement), including profiling, where the decision would have a legal effect on you or produce a similarly significant effect.

Organisational Measure (86.7%), Retention (76.2%):

We inform you through this Privacy Policy, through information provided to you through the Platforms, and by answering your questions about our Privacy Policy when you contact us.

Legitimate Interest (66.0%), Retention (80.8%):

TYPES OF PERSONAL INFORMATION WE COLLECT Personal Information You Provide: You may be asked to provide us with certain Personal Information when you sign up for an account or a newsletter on one of our Platforms, when you contact us for information about Sesame Workshop or one of our programs, when you use some of our Apps, when you register for and/or attend Sesame Workshop events (such as our annual fundraising gala), or when you participate in Sesame Workshop programs.

Personal Data (99.3%), Processing (98.6%), Technical Measure (80.6%), Third Party (60.0%):

The Personal Information we request may include: Contact information, including your name, postal address, telephone number, or email address; Payment information, such as your name, last four digits of a credit card number (credit card payments are processed by a third-party Service Provider (defined below)), telephone number, and billing address, when you make a donation to Sesame Workshop.

Personal Data (83.6%), Third Party (79.3%):

Credit and debit card payments are processed by our third-party providers.

Processing (99.8%):

Platforms refers to Sites and Apps collectively that are owned and operated by Sesame Workshop

(which we also refer to as we, us, or our).

Personal Data (96.3%), Required Purpose (88.8%):

These providers collect the information necessary to process the transaction, and may handle your payment information in accordance with their own privacy policies.

Personal Data (96.9%):

We do not have access to your credit or debit card details; Information regarding your donation history, donation amount, and your charitable interests; or Basic demographic information about you and your family.

Organisational Measure (69.9%):

If we learn that we have inadvertently collected Personal Information from a Child on any of our Platforms that are not intended for Children, we will take steps to promptly delete that information.

Automated Decision Making (93.3%), Retention (91.9%):

Information We Collect Automatically We, and our Service Providers (defined below), automatically collect certain information when you visit or interact with the Platforms.

Non-Personal Data (94.5%), Personal Data (96.8%):

Such information may include, among other things, the Uniform Resource Locator (URL) from which you arrived, the URL to which you next go, browser information, Internet Protocol addresses, a mobile device identifier, type of operating system, general location data such as a city or zip code.

Non-Personal Data (80.0%), Personal Data (68.4%):

We, and our Service Providers, also collect information about your use of the Platforms such as the pages or sections you visit most frequently, the time you spend there, and how you move through the Platform.

Required Purpose (73.4%), Technical Measure (99.4%), Third Party (98.4%):

We collect Usage Information directly from your device through the use of cookies, web beacons, third party analytics providers, or other similar technologies.

Technical Measure (89.9%):

We use cookies, web beacons (e.g., pixel tags), and local and session storage technologies to collect some of this information.

Processing (75.8%):

Currently, our Sites do not respond to Do Not Track signals transmitted by web browsers.

Data Source (72.5%), Non-Personal Data (65.6%), Personal Data (97.3%), Processing (99.1%), Required Purpose (62.6%):

Personal Information Received from Third Parties We may receive Personal Information about you

from other sources, including our data broker services, data enhancement companies, list rental services, third-party analytics providers, and social media-owned databases, including via your interaction with our social media pages (this includes aggregate data on our social media followers (e.g., age, gender and location), engagement data (e.g., likes, comments, shares, reposts and clicks), awareness data (e.g., number of impressions and reach) and individual users public profiles).

Data Source (85.3%), Personal Data (93.1%):

We may also collect certain donation information from our Service Providers, including past donation history, amount donated each time, and frequency of donations.

Data Source (82.6%), Required Purpose (92.1%):

In addition, we may obtain certain information from our licensees, including name, address, and payment information, to generate a profile of users who interact with our licensees.

Automated Decision Making (90.6%), Required Purpose (91.3%):

Personal Information We Create or Generate We may also infer certain Personal Information from any combination of the information that we collect directly or that we receive from third-parties, including using automated means to generate information about your likely preferences or other characteristics.

Required Purpose (98.5%):

HOW WE MAY USE AND DISCLOSE YOUR INFORMATION To administer our Platforms.

Contract (68.5%), Legitimate Interest (96.2%), Personal Data (88.2%), Required Purpose (94.6%):

To perform our contractual obligation to you under our Terms of Use, we may use your Personal Information to provide support to you when you request it, services, and security in partnership with our third-party service providers; and, it is in our legitimate business interests to use your Personal Information to help us understand and monitor the usage of our Platforms, improve our offerings, and customize and improve the performance of the Platforms; To operate our organization.

Art. 17 Right to erasure (right to be forgotten) (87.2%), Processing (65.6%), Required Purpose (67.9%):

Its your right to request that we delete your Personal Information, under certain conditions Restrict.

Data Processor (65.1%), Recipient (66.5%), Required Purpose (81.7%), Third Party (79.6%):

It is our legitimate business interest to operate our organization, including by sharing with our subsidiaries, affiliates and other related entities; with our advisors, including lawyers, consultants, accountants; and with others for our lawful business purposes; To resolve disputes.

Legitimate Interest (84.1%):

It is our legitimate business interest to prevent, investigate, and defend against any known or suspected violations of our Terms of Use, including by sharing Personal Information with entities that assist us in those endeavors or otherwise as may be required by applicable law; To protect our rights and the rights and safety of our users.

Legal Basis (75.6%), Legitimate Interest (87.4%):

It is our legitimate business interest, and our legal obligation to, protect the rights and safety of you and our users, including as may be required by a court order, regulatory inquiry, or other lawful request.

Legal Basis (90.1%), Required Purpose (93.1%):

Where possible, and where not prohibited by law or where doing so might impact the prevention or detection of a crime, we will direct any such request to you; To communicate with you.

Consent (73.7%), Processing (71.4%), Required Purpose (99.0%):

It is our legitimate business interest to deliver information to you that you have expressly chosen to receive and to enable your participation in special programs that we may offer (if you choose to participate in such programs); or To market and advertise to you; this may include: Providing you with direct marketing materials, such as updates and offers, and asking for your ongoing support of Sesame Workshop.

Legitimate Interest (93.7%):

Except where consent is required, we undertake marketing and advertising on the basis of our legitimate business interests.

Processing (92.6%), Required Purpose (63.8%), Third Party (99.1%):

We contract with third parties to provide certain services and to facilitate the operations of our Platforms (our Service Providers), such as data hosting, analytics, donor management, content delivery, payment processing, and email marketing.

Required Purpose (90.9%):

Our Service Providers may require access to certain Personal Information in order to provide their services.

Third Party (92.5%):

Advertising partners.

Processing (99.2%):

HOW WE MAY DISCLOSE PERSONAL INFORMATION We disclose Personal Information in the following circumstances: Third-party service providers.

Recipient (72.8%):

Data service companies.

Recipient (80.4%):

Professional advisors.

Recipient (83.8%), Required Purpose (90.6%):

We may share collected information with our professional advisors, such as lawyers, auditors, bankers and insurers, where necessary in the course of the professional services that they render to us.

Not Required Purpose (85.9%), Required Purpose (87.8%):

We may disclose any collected information to respond to subpoenas, court orders, legal process, and other law enforcement measures, and to comply with legal or regulatory obligations.

Legitimate Interest (65.1%), Required Purpose (96.5%), Right (61.6%):

We, and our Service Providers and vendors, may disclose any collected information to enforce our Terms of Use and to protect and defend the legal rights, interests, and safety of Sesame Workshop, our employees, agents, contractors, sponsors, listeners and users, members of the general public, or others.

Processing (92.8%), Scale Non-EU (88.5%):

Cross-Border Transfers We, or our Service Providers, may transfer and store information that we collect about you, including Personal Information, across borders from your country or jurisdiction to other countries or jurisdictions around the world, including to entities located outside of the EEA.

Processing (97.8%):

Business transfers.

Legal Basis (98.9%), Personal Data (99.5%):

When we engage in cross-border data transfers, we will ensure that your legal rights and protections travel with any transfer of personal information, as required by applicable data protection laws.

Contract (65.0%), Legal Basis (68.9%), Scale EU (86.2%), Scale Non-EU (88.5%), Third Party (91.4%):

Where required, such as in Switzerland, the United Kingdom, or European Economic Area, we may rely on an EU Commission or UK government adequacy decision or will implement Standard Contractual Clauses with our third parties, or we will rely on another lawful transfer mechanism.

Organisational Measure (82.1%):

Security of Your Personal Information We implement and maintain technical and organizational measures to help secure your Personal Information.

Technical Measure (95.4%):

We host Personal Information in secure, cloud-based environments that use firewalls, encryption and other industry-standard technologies in an effort to prevent interference or access from outside intruders.

Processing (93.1%):

While we strive to maintain the security of your Personal Information, we cannot guarantee that information security measures are fail-safe or guarantee that Personal Information on a Platform may not be accessed, disclosed, altered, or destroyed without authorization.

Processing (71.9%), Retention (83.9%):

Retention of Your Personal Information We will retain your Personal Information in accordance with the time period allowed under applicable law, and with consideration for the sensitivity, volume, and type of Personal Information, as well as the purpose for which we have collected it, after which time we will take steps to delete it.

Non-Personal Data (94.2%):

We will retain deidentified, aggregate data for lawfully allowed purposes.

Personal Data (82.5%):

For certain activities, there may be a Share with a Friend option where children can provide their first name, a friends first name, and friends email address to send a feature from a Childrens Platform to the friend via email.

Legal Basis (61.6%), Required Purpose (70.0%), Retention (81.3%):

We use such Personal Information only to fulfill the childs request and do not store that Personal Information for any longer than reasonably necessary to send the relevant email.

Organisational Measure (65.2%):

If you choose to use a third-party application or service, the use of your information by the third party will be governed by that partys privacy policy.

Legal Basis (67.7%), Processing (73.4%):

If we become aware that we have inadvertently received Personal Information from a Child without the legally required prior, verifiable parental consent, regardless of where in the world they are located, we will delete that information promptly.

Required Purpose (86.5%):

We use certain Service Providers to help us collect and understand this information.

Non-Personal Data (77.6%), Personal Data (91.8%):

The information might include, for example, the Uniform Resource Locator (URL) from which the

visitor arrived, the URL to which you next go, browser information, Internet Protocol addresses, a mobile device identifier, operating system, or general location data such as a city or zip code, as well as information about use of the Childrens Platforms, such as the pages or sections visited most often, the time spent there, and how a visitor moves through the Childrens Platform.

Processing (97.7%):

A cookie is a small data file that a web site transfers to a users device and is stored on the users browser.

Processing (79.0%):

SESAME WORKSHOP CHILDRENS PRIVACY We operate certain Platforms that are focused on childrens education and entertainment (Childrens Platforms) and we strive to operate the Childrens Platforms in alignment with the principles of the Childrens Online Privacy Protection Act (COPPA).

Required Purpose (77.4%):

As a user moves from one page or one screen to another, a cookie is used to tell us that it is the same device and to remember your preferences.

Required Purpose (98.1%):

How We Use and Share Personal Information Collected on Our Childrens Platforms We use Personal Information collected from or about children to operate our business, such as to administer and maintain our Childrens Platforms and in support of our Childrens Platform internal operations, in accordance with consent provide by a parent, to comply with our legal obligations, and otherwise as described above.

Required Purpose (81.0%):

We contract with third parties to provide certain services and to facilitate the internal operations of our Childrens Platforms, such as data hosting, analytics, and content delivery.

Consent (70.9%), Legitimate Interest (67.6%):

You may unsubscribe or opt out of such electronic communications via the link labeled unsubscribe that appears on such communications, or by contacting us at dotorgmail@sesame.org; and Engaging in interest-based advertising, such as by creating user profiles to inform them of content and other offerings that we believe may be of interest to them.

Required Purpose (78.2%):

We will use any such Personal Information only to validate the request.

Processing (85.1%):

Managing Personal Information Collected on Our Childrens Platforms Parents may contact us at dotorgmail@sesame.org with requests to review, update or delete any of their Childrens Personal

Information that we may have collected, to revoke any consent that had been previously provided, and to elect for us not to collect any additional Personal Information from their children.

Required Purpose (87.4%), Technical Measure (77.8%):

COOKIE NOTICE We use cookies and other tracking technologies, such as web beacons, to collect and store information when you visit our Platforms.

Technical Measure (66.2%):

A web beacon (also referred to as a clear gif or pixel tag) is a one-pixel image (which may be visible or transparent), which may be embedded on a web page or in an e-mail message, and which may also provide us with information about usage of that page or e-mail message, including if and when you have opened it.

Technical Measure (74.5%):

Types of Cookies We Use We might use both session and persistent cookies.

Retention (93.7%), Technical Measure (69.8%):

Session cookies last for as long as you are using your browser, while persistent cookies will last for some time after you close your browser.

Processing (93.7%):

While we allow third parties to access the Platforms to place cookies on users devices, the information those cookies supply is controlled by the third party and subject to their privacy policy.

Technical Measure (60.7%):

The Platforms use four types of cookies: essential, functional, analytics, and marketing cookies.

Required Purpose (99.8%):

How We Use Cookies We use the information that is automatically collected through cookies to support our operations, analysis, and promotion of the Platforms.

Organisational Measure (86.0%):

Most browsers also allow at least some control of most cookies through browser settings.

Consent (86.0%):

You may refuse the use of cookies by selecting the appropriate settings on your browser to decline cookies.

Third Party (97.1%):

PRIVACY POLICIES OF OTHER WEBSITES WE LINK TO Our Platforms may link to other websites or apps, including content offered by third parties that we do not control and whose privacy and data collection practices may differ from ours (Third Party Platforms).

Data Source (75.7%), Required Purpose (91.5%):

JOB APPLICANTS When you visit the Careers portion of the website, we collect the Personal Information that you provide to us in connection with your job application.

Required Purpose (97.1%):

This includes but is not limited to business and personal contact information, professional credentials and skills, educational and work history and other information of the type that may be included in a resume.

Required Purpose (85.5%):

We use this information on the basis of our legitimate business interests to facilitate our recruitment activities and process employment applications, such as by evaluating a job candidate for an employment activity, to monitor recruitment statistics and to respond to surveys.

Legitimate Interest (72.5%), Required Purpose (94.9%):

We may also use this information to provide improved administration of the services and as otherwise necessary (i) to comply with relevant laws or to respond to subpoenas or warrants served on us, (ii) to protect and defend our or others rights or property, (iii) in connection with a legal investigation and (iv) to investigate or assist in preventing any violation or potential violation of the law, this Privacy Policy or our Terms of Use.

Right (81.9%):

For questions or concerns about the Platforms, this privacy policy, the Personal Information we hold about you, or exercising your data protection rights, please write to dotorgmail@sesame.org.

Authority (83.0%), Lodge Complaint (79.3%):

You may also have the right to lodge a complaint about our privacy practices with a supervisory authority.

Legal Basis (93.3%):

Your gift is tax-deductible as allowed by law.
