

Consent (79.1%), Data Controller (96.4%), Data Subject (74.7%), Non-Personal Data (65.0%), Organisational Measure (92.3%), Personal Data (82.7%), Processing (90.7%), Required Purpose (76.9%):

Privacy Policy Privacy Policy We take protecting your data seriously Thank you for visiting our website.

Required Purpose (69.8%):

We are delighted that you are interested in our company and our products / services.

Legal Basis (95.8%), Personal Data (99.5%):

We take protecting your personal data very seriously, and we want you to feel secure with regard to the information you give us when you visit our website.

Legal Basis (79.7%):

For us, complying with German data security law is a matter of course.

Data Controller (99.3%), Organisational Measure (65.0%), Personal Data (64.8%), Processing (99.2%):

We want you to know what data we collect at CipSoft GmbH while you are visiting our website, when we collect it and how we use this information.

Organisational Measure (83.9%), Third Party (76.0%):

We have taken technical and organisational measures that ensure that data protection regulations are observed by us and by any service providers we work together with.

Personal Data (99.5%):

Personal data Personal data is information about your identity.

Personal Data (99.8%):

This includes your name, your address and telephone number, and your e-mail address.

Personal Data (99.1%), Required Purpose (85.6%):

You don't have to divulge personal information in order to be able to use our internet site.

Required Purpose (92.1%):

But in some cases we need your name and e-mail address, and further information so that we can provide you with the services you require.

Organisational Measure (67.0%):

We will always tell you when this is necessary.

Automated Decision Making (96.7%), Data Source (67.4%), Processing (98.9%):

Also, we only store or process data that you have provided us with either voluntarily or automatically.

Personal Data (94.2%), Required Purpose (99.1%):

If you use one of our services, we usually only take the data that is necessary to provide you with the service you require.

Consent (65.6%):

We may ask you for further information, but this is voluntary.

Legitimate Interest (82.3%), Required Purpose (89.7%):

Whenever we process personal data, we do it to provide you with the service you required or to fulfil our legitimate commercial interests.

Processing (97.8%), Required Purpose (99.7%):

Using your personal data As a rule, we only use the personal data you have provided us with to answer your queries, process your orders, or to provide you with access to specific information or offers.

Required Purpose (99.7%):

We, or one of the service providers we work with, may also want to use this information to provide you with information about our services, or about products that may interest you.

Required Purpose (98.3%):

We may also use it for online surveys to help us improve customer service.

Third Party (97.7%):

We never give personal information to third parties or use it for other purposes.

Processing (74.9%):

Using your personal information for specific purposes The personal information you provided us with will only be used for the specific purpose requested by you.

Consent (75.6%), Personal Data (66.7%):

We will not give your details to third parties without your permission.

Authority (95.2%), Legal Basis (89.8%), Processing (78.2%):

Personal data is only shared with public authorities and government institutions when this is stipulated by law, or when we are forced to do so by a court of law.

Legal Basis (93.9%):

Our staff and any service providers we work with are bound to confidentiality and to observing the regulations of the Federal German Data Protection laws.

Required Purpose (90.8%):

Automatically collected non-personal data When you use the TibiaMe app, we store certain information for administration and technical reasons.

Non-Personal Data (75.6%), Required Purpose (97.4%):

This data remains anonymous and it is used solely for statistical purposes and to improve our website and online services.

Non-Personal Data (88.4%), Processing (99.1%):

This anonymous data is stored separately from personal data on secure systems and allows no inference on individual persons.

Personal Data (92.3%):

This means that your personal details are protected at all times.

Technical Measure (99.1%):

Cookies If you visit our website, we might store information on your computer in the form of cookies.

Processing (94.6%):

Cookies are small files that are sent from an internet server to your browser and stored on your computer's hard drive.

Personal Data (84.9%):

Only the internet protocol address is stored in this process, and no personal data is involved.

Automated Decision Making (65.9%), Required Purpose (87.7%):

The information stored on cookies means you will be automatically recognised next time you use our website, so you will find our site easier to navigate.

Personal Data (75.4%), Required Purpose (87.1%):

For example, cookies enable us to adapt our website to your interests or to store your password, so you don't have to enter it again.

Consent (93.2%):

If you do choose not to accept cookies, you may have difficulty in accessing certain parts of our site.
