Data Source (69.0%), Legal Basis (94.6%), Processing (86.5%):

Therefore, we use your personal data strictly within the legal limits of the applicable data protection laws.

Legal Basis (97.4%), Processing (99.1%), Required Purpose (98.1%):

The Tilde service collects and uses your personal data exclusively within the framework of the provisions of the General Data Protection Regulation.

Data Controller (73.6%), Processing (99.1%), Scale EU (77.3%):

Data controller The data controller responsible for data processing within the meaning of the General Data Protection Regulation, other data protection laws in force in the Member States of the European Union, and other provisions of a data protection nature is: Tilde, Vienības gatve 75A, Rīga, LV-1004.

Personal Data (81.8%):

all information relating to an identified or identifiable natural person.

Non-Personal Data (64.3%), Personal Data (96.8%):

Identifiable is any natural person who can be identified directly or indirectly, in particular by assignment to an identifier such as a name, an identification number, location data, an online identifier, or one or more special characteristics.

Non-Personal Data (73.2%), Required Purpose (71.8%):

Usage data is data required to use our website; this data includes the start, end, and extent of the users website use.

Automated Decision Making (72.2%), Processing (95.8%):

Automatic data collection via website access When you access our website your device automatically transmits certain data for technical reasons.

Personal Data (96.3%), Processing (97.5%):

The following data is stored separately from any other data you may transmit to us: Date and time of access Browser type and version Operating system URL of the website visited prior to ours Amount of data sent Requesting domain Notification of successful data retrieval Search term when using a web browser Shortened/anonymized IP Full IP address (for a maximum of 14 days) This data is stored for purely technical reasons and is never associated with any particular individual.

Processing (88.9%), Required Purpose (94.9%):

The data about website access is used for error analysis, ensuring the security of the systems and to improve our translation service.

Organisational Measure (66.7%), Personal Data (84.1%), Processing (73.4%), Retention (91.9%):

For legitimate reasons, the full IP address is used to achieve the stated purposes for a very short period of a maximum of 14 days.

Required Purpose (79.2%):

Texts and translations When using the Tilde service, the texts you submit and their translations are never stored, and are used only insofar as it is necessary to create the translation.

Required Purpose (67.2%):

When using the Tilde service, we don't use your texts to improve the quality of our services.

Data Subject (81.6%):

Registration You may register with the Tilde.

Personal Data (77.6%), Required Purpose (93.9%), Technical Measure (93.8%):

Cookies This webpage, like many others, uses cookies to personalize content and ads, provide social media features and analyse our data traffic.

Processing (85.6%):

What is a cookie: A cookie is a small text file sent to your computer or mobile device when you visit a website that is saved by that website on your computer or mobile device when you open the website.

Required Purpose (88.3%):

Cookies function as a memory of a specific webpage enabling the webpage to remember your computer in following visits including that the cookies can remember your settings or improve your user experience.

Required Purpose (67.2%):

Over time, the cookies may get updated and customized to improve the service quality level.

Required Purpose (81.0%):

In general, cookies are used for: Provision of services cookies provide basic functions such as page navigation.

Required Purpose (90.0%):

User settings cookies enable a website to remember the information that changes the way the website works or looks, for example, the recommended language or your location region.

Data Subject (63.1%), Non-Personal Data (74.2%), Processing (98.2%), Required Purpose (99.2%):

Usage statistics and analysis by collecting and anonymously reviewing the information, cookies help owners of websites to understand how users interact with their websites.

Processing (66.8%), Required Purpose (84.3%):

Marketing cookies are used to track visitors to websites.

Required Purpose (73.6%):

The goal is to show relevant ads that are of interest to an individual user.

Personal Data (98.7%):

We do not use cookies to collect personal information about users.

Processing (97.4%):

However, some processed information can be considered personal data.

Third Party (71.5%):

We may share the information about how you use our site with our media, social, advertising and analysis partners.

Data Controller (71.7%), Technical Measure (98.9%):

Google Analytics (with an anonymization function) We use Google Analytics (with an anonymization function), a web analytics service provided by Google Inc.

Required Purpose (97.3%):

Google Analytics uses cookies which permit an analysis of your use of the website.

Processing (93.1%), Scale Non-EU (77.8%):

The information about your website use generated by the cookie (including your truncated IP address) is transmitted to a server controlled by Google in the USA and is stored there.

Required Purpose (97.6%):

Google uses this information to analyze your use of the website, to generate reports about website activities for website operators, and to provide further services related to website and internet use.

Legal Basis (80.9%), Third Party (95.7%):

Google may also share such information with third parties to the extent it is legally required to do so and/or to the extent third parties process data on behalf of Google.

Scale EU (85.3%):

By means of this addition, Google shortens and anonymizes the IP address of the Internet connection of the person concerned, if our Internet pages are accessed from a member state of the European Union or from another governmental party to the Agreement on the European Economic Area.

Retention (86.7%):

User-based event data at Google Analytics is deleted after 38 months.

Technical Measure (63.7%):

Data security Your visits to our website are protected by state-of-the-art encryption technology.

Organisational Measure (65.3%):

You can tell whether an individual page of our website is encrypted by the key or closed lock symbol in the status bar of your browser.

Organisational Measure (86.5%):

We also use appropriate technical and organizational security measures to protect your data against accidental or intentional manipulation, partial or complete loss, destruction, or against unauthorized access by third parties.

Organisational Measure (84.9%):

Our security measures are continuously improved in line with technological developments.

Legal Basis (77.5%), Right (91.5%):

Your rights You have the following rights under European Union law.

Art. 15 Right to access by the data subject (66.1%), Personal Data (82.0%), Right (62.5%):

Right to confirmation and right to information we will be happy to confirm whether we process your personal data, what data it is and for what purpose it is processed.

Art. 16 Right to rectification (81.9%):

Right to rectification if the data we store is incorrect, we will of course be happy to correct it.

Art. 17 Right to erasure (right to be forgotten) (87.5%):

Right of erasure if you want your personal data to be deleted, we will, as far as legally possible, comply with your request.

Legal Basis (89.3%), Processing (83.1%):

If data must be kept for legal reasons, it will be blocked.

Retention (61.2%):

The data is then no longer available for further use.

Art. 18 Right to restriction of processing (83.8%):

Right to restriction of processing should you wish to restrict use, we will, as far as legally possible, comply with your request.

Consent (90.0%):

Right of revocation if you wish to revoke any consents already given, we will pursue your request accordingly.
