Where do we store your data and for how long?

Processing (98.4%), Required Purpose (60.5%):

The data we collect about you may be stored and processed inside as well as outside your country in secure servers in order to provide the best possible user experience for the Service and/or Platform, current or upcoming.

Required Purpose (92.0%), Retention (91.2%):

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

Processing (75.1%):

Why do we process your personal information?

Legal Basis (84.8%):

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

Organisational Measure (65.7%), Personal Data (95.6%), Processing (65.7%):

Technical and organizational measures and processing security All the information we receive about you are stored on secure servers and we have basic measures that are suitable to protect your personal data.

Organisational Measure (62.2%), Required Purpose (86.7%):

True Markets 3D continually evaluates the security of its network and adequacy of its internal information security program which is designed to (a) help secure your data against accidental or unlawful loss, access or disclosure, (b) identify reasonably foreseeable risks to the security of the True Markets 3D network, and (c) minimize security risks, including through risk assessment and regular testing.

Personal Data (90.8%), Technical Measure (95.2%):

In addition, we ensure that all payment data are encrypted using SSL technology.

Processing (96.8%), Third Party (88.9%):

Please note, despite the measures we have implemented to protect your data, the transfer of data through the Internet or other open networks is never completely secure and there is a risk that your personal data may be accessed by unauthorized third parties.

Consent (83.5%):

If you or your guardian (as the case may be) do not agree with the changes, please stop using the

Services and Platform.
