Cookies Data: Cookies are used to maintain secure login sessions, remember user preferences, analyze service performance, and facilitate payment.

Data Source (91.6%), Personal Data (98.1%), Required Purpose (96.5%):

Customer Support Data: We may store data you provide when contacting customer support, such as your correspondence, contact details, and any voluntarily submitted information, exclusively to respond to your inquiries.

Consent (87.6%), Legal Basis (99.4%), Required Purpose (99.0%):

Purposes of Data Processing We process your data to: Provide, operate, and maintain our Services; Manage Subscriptions, process transactions, and authenticate your account; Respond to inquiries, resolve issues, and offer customer support; Perform diagnostics, monitor service quality and security, and improve our Services; Comply with applicable laws, prevent fraud, and resolve potential disputes; Send essential service notifications or, with your consent, marketing communications.

Organisational Measure (68.0%), Personal Data (98.0%), Third Party (97.3%):

We never use your information for behavioral profiling and do not sell or share personal data with third parties for independent marketing.

Processing (68.6%), Required Purpose (97.9%), Third Party (89.2%):

Third-Party Providers To ensure optimal functionality, diagnostics, customer support, security, analytics, advertising (for free basic services), and global payment options, VPN Proxy Master integrates with select third-party service providers.

Required Purpose (97.9%), Third Party (95.7%):

Some of the key partners include: Firebase by Google: For crash reporting and diagnostics to improve app reliability and performance.

Required Purpose (90.4%):

Adjust: To measure advertising performance and optimize user acquisition strategies.

Required Purpose (84.8%):

Admob by Google, Liftoff, InMobi, Unity: For advertising and attribution in the provision of free service offerings, supporting our no-charge user options.

Required Purpose (83.8%):

Stripe, Payssion, Paddle: For the secure processing of payments in Premium services.

Required Purpose (84.2%), Technical Measure (87.1%):

These partners may collect or process limited technical or transactional data as necessary to perform their designated functions, using cookies, tags, or similar technologies.

Processing (90.8%):

Payment processing is handled by PCI-compliant third-party providers.

Personal Data (70.5%):

All third-party processing is governed by strict data protection agreements that prohibit the identification, profiling, or tracking of users VPN activity or personal usage data.

Personal Data (97.5%), Processing (94.6%):

Additionally, all data sharing is conducted in accordance with this Privacy Policy and applicable laws; usage and analytics data are never combined with VPN logs, traffic, or user account details.

Processing (64.2%):

We encourage you to review the privacy policies of these third-party providers for details about their data handling and retention practices.

Organisational Measure (83.3%):

Our partnerships are regularly reviewed to ensure strict compliance with our privacy standards and commitment to user confidentiality.

Consent (93.0%), Required Purpose (86.9%):

Data Sharing and Transfer Practices We only share information in the following situations: With Service Providers: We work with trusted third-party providers for analytics, payment, advertising (for free basic services), security, diagnostics, and customer support.

Contract (76.8%):

All third-party processing is limited to what is necessary and contractually restricted from correlating information to your VPN activity or account.

Processing (72.7%):

Cross-Border Transfers: Your information may be processed or stored in jurisdictions other than your country of residence.

Contract (62.6%), Legal Basis (97.8%), Organisational Measure (77.1%), Processing (79.3%):

Such transfers are protected by appropriate safeguards or standard contractual clauses as required by law.

Legal Basis (64.3%):

This helps you manage access, Subscriptions, password recovery, and support requests.

Organisational Measure (84.8%):

We will always seek to limit disclosure to what is lawfully demanded.

Consent (81.1%), Processing (74.7%):

With Your Consent: No information is shared outside these contexts unless you have provided explicit, informed consent.

Organisational Measure (91.2%), Personal Data (99.5%):

Data Protection Measures We use a comprehensive set of technical, administrative, and organizational safeguards to protect your personal information from unauthorized access, loss, or misuse: Access controls restrict personal data to authorized personnel only, with monitoring and audit trails.

Technical Measure (82.0%):

Encryption protocols protect data in transit and, where appropriate, at rest.

Organisational Measure (73.4%):

We conduct regular internal reviews to test and improve system defenses.

Organisational Measure (70.0%):

Our incident response plan ensures prompt investigation of security events and regulatory notification if required.

Personal Data (73.4%):

Your Choices and Rights VPN Proxy Master supports your ability to control your personal information in accordance with applicable law: Access: You can request details about any personal data we hold related to you.

Art. 16 Right to rectification (67.3%):

(the Company, VPN Proxy Master, we, our, us), domiciled at 36 ROBINSON ROAD #21-01 CITY HOUSE SINGAPORE (068877).

Legitimate Interest (73.7%):

Restriction and Objection: You may restrict or object to certain processing of your data, for example, opting out of optional communications or objecting to uses based on legitimate interests.

Consent (68.0%):

Consent Withdrawal: For any activities based on your consent (such as marketing), you may withdraw at any time without affecting prior processing.

Authority (89.0%), Right (62.5%):

Complaints: You are entitled to raise privacy-related concerns or complaints with us at any time, or with your local data protection authority.

Processing (98.6%), Required Purpose (85.9%), Retention (78.4%):

Data Retention and Deletion We retain personal data only as long as necessary for the purposes it was collected such as providing Services, complying with legal obligations, ensuring security, or resolving disputes.

Organisational Measure (68.6%), Retention (81.3%):

Once data is no longer needed, it is securely deleted, irreversibly anonymized, or, if immediate deletion is technically impossible (such as with backup systems), it is isolated and deleted as soon as possible.

Organisational Measure (61.4%):

Data in backups is not processed for operational purposes and is subject to regular deletion cycles.

Legal Basis (80.9%):

When you request deletion of your account and associated data, we will remove all such information to the extent permitted by law.

Retention (68.0%):

If legal obligations require us to retain certain data (for example, for anti-fraud, financial, or audit requirements), we will inform you of the retention period and the nature of the information held.

Organisational Measure (74.1%), Retention (83.7%):

Our retention policies are designed with data minimization in mind, and we regularly review all

practices to ensure data is not held any longer than necessary.

Scale EU (62.9%), Scale Non-EU (87.4%):

Region-Specific Privacy Notices For European Economic Area (EEA) and United Kingdom Users: In compliance with the EU and UK General Data Protection Regulation (GDPR), we are required to provide certain details regarding how we process the personal information of users in the EEA and UK.

Art. 15 Right to access by the data subject (63.5%):

You have the right to request access to your data, as well as to request correction (rectification) or deletion (erasure) of your personal information.

Art. 17 Right to erasure (right to be forgotten) (77.3%):

Deletion: Subject to statutory or contractual obligations, you may request deletion of your account and all related data.

Right (72.2%):

Should you wish to exercise these rights, please contact us via the methods outlined in this policy.

Third Party (89.6%):

Please note that our data partners or other third parties may act as independent controllers of your data.

Consent (66.3%):

If you have previously given consent to receive direct marketing communications or have subscribed to our newsletters, you may revoke your consent and unsubscribe at any time using the opt-out link included in each communication.

Required Purpose (70.5%):

Certain information and processing activities are mandatory for us to deliver the Services.

Processing (67.4%):

Any request to alter, restrict, or delete essential data may result in our inability to provide some or all of the Services to you.

Required Purpose (82.1%), Retention (79.4%):

If you withdraw consent or request deletion, we will cease to use or process your information but may retain it as necessary to comply with regulatory or law enforcement requirements.

Retention (78.3%):

We also reserve the right to archive such information for a commercially reasonable period to ensure data integrity, and to maintain an anonymized version where appropriate.

Legal Basis (69.9%):

The Services are operated by SECUREGUARD GROUP PTE.

Personal Data (87.8%):

If you are a parent or guardian of a child under 13 (or another age as specified by applicable law) and believe your child has provided us with personal information, please contact us and we will promptly remove such information from our systems.

Organisational Measure (68.7%), Required Purpose (87.6%):

To protect your privacy and security, we may require verification of your identity before responding to any rights request.

Personal Data (89.7%):

For this purpose, you may be asked to provide a copy of an official identification document, which will be securely destroyed within two months after your request is resolved.

Retention (75.1%):

Our team will respond within one month, unless additional time is needed to investigate or process your request, in which case you will be informed accordingly.

Required Purpose (77.2%), Scale Non-EU (90.7%):

For California Residents (CCPA): Under the California Consumer Privacy Act (CCPA), California residents have the right to request information about the categories of personal information we have collected and disclosed to third parties for business or commercial purposes during the preceding calendar year.

Right (96.1%):

Correction: You have the right to request correction of any incorrect or incomplete information.

Processing (96.5%):

Legal Obligations: Data may be disclosed where required by law or to address lawful government or regulatory requests.

Not Required Purpose (61.4%), Required Purpose (97.7%):

Our partners and service providers may access your information solely to provide Services in accordance with our agreements; they are prohibited from using your personal information for any unrelated purposes.

Right (77.6%):

All contractual agreements are carefully structured to ensure the protection of your information and privacy rights.

Legal Basis (69.4%):

Childrens Policy VPN Proxy Master treats the privacy of children with the utmost importance and is

committed to compliance with all applicable child protection and privacy regulations.

Legal Basis (90.3%):

We consider a user to be a child if they are under the age of 13, unless a different minimum age is specified by applicable laws and regulations in their country of residence.

Processing (79.3%):

Our Services are not directed at children, and we do not knowingly collect, use, or disclose personal information from children without the valid consent of a parent or legal guardian.

Organisational Measure (70.5%):

If we become aware that personal information from a child has been collected without the appropriate consent, we will take reasonable steps to delete it as soon as possible.

Organisational Measure (72.1%):

We proactively implement the following protective measures for users identified as children: Children are not permitted to create accounts, access chat, leaderboards, forums, social networking services, or subscribe to newsletters on our platforms.

Personal Data (89.4%):

We prohibit the collection and usage of precise geolocation data for children and only deliver contextual (non-behavioral) advertising.

Personal Data (97.3%):

Any feature where a child's real name or personal information could appear is inaccessible to users identified as children.

Consent (69.9%):

Children may participate in service testing only with explicit parental or guardian consent and supervision, in accordance with the regulations applicable in their jurisdiction.

Right (77.0%):

If you are a parent or guardian, you may exercise rights on behalf of your child as described in this Privacy Policy.

Processing (61.8%):

Details are provided in our Cookie Policy.

Organisational Measure (85.2%):

Changes to Policy We may periodically update this Privacy Policy to reflect changes in law, industry standards, or our Services.

Organisational Measure (85.8%):

Updates will be published on our website with a revised effective date.

Organisational Measure (93.3%):

For significant changes, we will notify you via the Services or by email if available.

Organisational Measure (75.0%):

Contact If you have any questions, concerns, or complaints about our Privacy Policy, our compliance with applicable laws, how we handle your information, or if you wish to exercise your privacy rights, contact: Email: developer@secureguardpro.com Also, for all privacy-related questions, requests, or concerns, contact: Data Protection Officer: Cecilia Fung Email: dpo@secureguardpro.com We handle all privacy requests in strict accordance with applicable law and are committed to a timely and transparent response.
