Personal Data (69.2%), Processing (97.8%), Required Purpose (69.6%):

Ownership Information We are the sole owner of the information we gather on our Website.

Processing (98.8%):

We will NEVER share your information outside of Yale Cleaners.

Legal Basis (89.8%), Recipient (70.8%):

We will only share your personal information with third parties if we are required to do so by law or in the good faith belief that such action is necessary in order to conform to the requirements of applicable law.

Personal Data (98.3%):

During registration, you will be required to provide us with your first and last name, a valid e-mail address, your home address and phone number.

Processing (96.5%), Required Purpose (89.0%):

However, we will request optional additional information which will be used to fill in fields that exist in your account profile.

Legal Basis (90.5%), Processing (97.6%):

This information is held in confidence and will not be disclosed to any outside resource for any reason, except where such disclosure is required by law.

Data Subject (82.9%):

To access these apps, you must be a current Yale Cleaners customer and have online account access.

Processing (96.4%):

Yale Cleaners will not store, share, or use this information for anything other than the stated feature.

Required Purpose (96.8%):

The app uses this service to display our locations on a map and to provide you turn by turn

directions.

Processing (81.0%), Required Purpose (94.3%):

Camera -The app uses the camera to capture an image of an items barcode to quickly look up that items cleaning history and/or input a Special Care request.

Processing (98.6%):

The image is not stored on the phone or any server when used for this purpose.

Consent (67.3%), Personal Data (87.4%), Required Purpose (72.9%), Technical Measure (84.4%):

If the user chooses, the app uses the camera in the My Closet tab to take photos of your garments.

Personal Data (81.7%), Required Purpose (96.4%):

Photos of your garments will appear throughout the app helping you identify which item is being referenced.

Consent (71.7%):

Users can change this preference in the Settings Tab at any time.

Personal Data (96.9%):

You must provide either a valid cell phone number or email address.

Required Purpose (97.8%):

We will ONLY use the provided information to send order status alerts.

Processing (83.9%), Required Purpose (99.1%), Technical Measure (95.3%):

Website Similar to other commercial Web sites, our Web site utilizes a standard technology called cookies (see explanation below, What Are Cookies?) and Web server logs to collect information about how our Web site is used.

Non-Personal Data (70.0%), Personal Data (82.5%), Processing (93.6%):

Information gathered through cookies and Web server logs may include the date and time of visits, the pages viewed, time spent at our Web site, and non-personal actions taken while using our services.

Processing (98.1%), Required Purpose (90.0%):

This information is collected for the sole purpose of improving our services and helping us serve you better.

Required Purpose (96.9%):

Broadly speaking, we use personal information for the purposes of providing you with the tools necessary to properly use our services, administer technical support when it is requested, and provide you with a personalized experience.

Personal Data (95.0%), Third Party (97.9%):

We will never sell or provide to any 3rd party your personal or non-personal information, except where such disclosure is required by law.

Automated Decision Making (96.1%), Non-Personal Data (93.7%), Personal Data (98.9%), Required Purpose (96.0%):

Information Collection and Use Automatic Collections: As with most web sites, when you visit our Web Site, we automatically collect and store the following, non-personally identifiable information: The date and time of the visit The type of browser and operating system used (if provided by the browser) The URL of the referring page (if provided by the browser) The object requested Completion status of the request The originating IP address Pages visited Automatically collected information is used by us to measure the number of visitors to the different areas of our Web Site and to assist us in making our Web Site more useful to visitors.

Personal Data (71.8%):

The apps will ask for the following permissions: Location Services -The app uses this service for location based reminders.

Processing (80.7%), Required Purpose (99.3%):

This includes analyzing these logs periodically to determine the traffic through our servers, the number of pages served, and the demand for certain areas of our Web Site and topics of interest.

Processing (97.2%), Third Party (96.2%):

These logs may be preserved indefinitely by us, used at any time and in any way deemed necessary by us, and disclosed to any third party without your knowledge or consent.

Required Purpose (97.0%):

We may use cookies on our Web Site to keep track of certain information you may enter, to enable certain features of our Web Site, to record session data regarding your visit to our Web Site, and to personalize your experience on our Web Site.

Required Purpose (92.6%):

We may also use cookies to maintain user session identity if you log in to any portion of our Web Site such as MY ACCOUNT.

Required Purpose (99.1%):

We may also use cookies to determine aggregate usage data such as how many unique visitors come to our Web Site or how many unique visitors use a particular feature, to assess the technical function of our Web Site, and to generally help us gauge the effectiveness of our Web Site.

Personal Data (93.9%):

The cookies themselves will not contain any personally identifiable information, but they may be linked to any personally identifiable information that you enter on our Web Site.

Organisational Measure (67.3%):

Most web browsers automatically accept cookies, but you can usually change this in your browser settings.

Art. 17 Right to erasure (right to be forgotten) (81.1%):

Access to Personal Information If any of the personal information that you provide to us changes, or if you no longer desire for us to retain your personal information for the purposes set forth in this privacy policy, you may request the correction, update or deletion of such information by contacting us using the Contact Us tab on our website.

Organisational Measure (70.7%), Processing (89.0%):

We use generally accepted industry standards to protect any personal information submitted to us by you; however, no method of transmission over the Internet, or method of electronic storage, is 100% secure.

Third Party (82.2%):

Links to Other Web Sites Our Web Site may contain links to web sites not controlled or operated by us, including those of other private entities and organizations.

Organisational Measure (64.2%):

When enabled, the app will notify the user if their cleaning is ready to be picked up with order total; you will receive a notification each time the phone enters the boundary surrounding a roughly 1/2 mile radius centered on the store.

Organisational Measure (77.0%):

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on the Site and Apps.
