Automated Decision Making (95.4%):

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Required Purpose (69.2%):

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services.

Processing (92.6%), Required Purpose (83.7%), Technical Measure (96.2%), Third Party (75.1%):

Any use of Cookies or of other tracking tools by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy.

Processing (97.1%):

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Data Controller (62.1%), Organisational Measure (76.2%):

Mode and place of processing the Data Methods of processing The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

Organisational Measure (65.6%), Technical Measure (94.4%):

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated.

Authority (63.2%), Legal Basis (74.0%), Third Party (77.7%):

In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner.

Processing (89.7%):

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own.

Personal Data (67.7%), Required Purpose (95.6%), Right (96.2%):

The purposes of processing The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Access to third-party accounts, Analytics, Commercial affiliation, Displaying content from external platforms, Hosting and backend infrastructure, Infrastructure monitoring, Interaction with external social networks and platforms, Registration and authentication, Social features, Advertising and Content performance and features testing (A/B testing).

Processing (95.5%):

Facebook permissions asked by this Application This Application may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it.

Third Party (82.7%):

This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook Inc.

Personal Data (98.2%):

The permissions asked are the following: Basic information By default, this includes certain Users

Data such as id, name, picture, gender, and their locale.

Data Controller (67.3%), Third Party (64.7%):

Facebook account access (This Application) This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook, Inc.

Processing (66.2%), Required Purpose (93.9%):

Advertising This type of service allows User Data to be utilized for advertising communication purposes.

Technical Measure (63.0%):

Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e.

Consent (90.3%), Scale Non-EU (67.1%):

Place of processing: United States Privacy Policy Opt Out.

Processing (78.4%), Required Purpose (79.9%):

Analytics The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Processing (96.3%), Required Purpose (93.5%):

Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Required Purpose (96.6%):

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data (96.3%):

This integration of Google Analytics anonymizes your IP address.

Personal Data (87.4%), Processing (71.7%), Scale EU (85.9%):

It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area.

Scale Non-EU (61.9%):

Place of processing: US Privacy Policy.

Technical Measure (80.0%):

Firebase Analytics may share Data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Notifications.

Processing (74.6%):

This service uses the DoubleClick Cookie, which tracks use of this Application and User behavior

concerning ads, products and services offered.

Required Purpose (98.5%), Technical Measure (95.3%):

This Application uses identifiers for mobile devices and technologies similar to cookies to run the Firebase Analytics service.

Processing (97.6%):

Clicks on the icon or banner posted on the Application are tracked by the third-party services listed below, and are shared with this Application.

Personal Data (76.1%):

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Required Purpose (94.5%):

Infrastructure monitoring This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved.

Processing (78.1%):

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

Consent (67.3%), Processing (99.3%):

Retention time Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users consent.

Required Purpose (90.2%):

In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Required Purpose (92.6%):

Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Processing (85.4%), Required Purpose (92.8%):

To simplify the registration and authentication process, Firebase Authentication can make use of third-party identity providers and save the information on its platform.

Consent (74.9%):

Further Information for Users Legal basis of processing The Owner may process Personal Data relating to Users if one of the following applies: Users have given their consent for one or more specific purposes.

Contract (76.4%), Legitimate Interest (78.6%), Third Party (83.5%):

provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof; processing is necessary for compliance with a legal obligation to which the Owner is subject; processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner; processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Contract (76.5%), Legal Basis (83.6%):

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Contract (61.6%), Retention (80.0%):

Therefore: Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

Retention (93.3%):

Personal Data collected for the purposes of the Owners legitimate interests shall be retained as long as needed to fulfill such purposes.

Retention (94.1%):

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn.

Retention (89.0%):

Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Retention (89.1%):

Once the retention period expires, Personal Data shall be deleted.

Retention (93.2%), Right (62.9%):

Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

Consent (94.9%), Legal Basis (82.4%):

In particular, Users have the right to do the following, to the extent permitted by law: Withdraw their consent at any time.

Consent (62.4%):

Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.

Personal Data (70.2%):

To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Art. 21 Right to object (72.5%):

Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.

Art. 18 Right to restriction of processing (87.0%):

Users have the right to restrict the processing of their Data.

Art. 17 Right to erasure (right to be forgotten) (84.3%):

Have their Personal Data deleted or otherwise removed.

Art. 17 Right to erasure (right to be forgotten) (68.0%):

Users have the right to obtain the erasure of their Data from the Owner.

Authority (83.7%):

Users have the right to bring a claim before their competent data protection authority.

Legal Basis (91.6%):

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Legitimate Interest (78.8%):

Details about the right to object to processing Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Art. 21 Right to object (73.2%):

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification.

Legal Basis (90.7%):

Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law.

Processing (92.9%):

Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this

proves impossible or involves disproportionate effort.

Authority (84.0%), Personal Data (99.6%), Processing (63.5%):

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Processing (96.1%):

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Required Purpose (71.4%):

For specific information about the Personal Data used for each purpose, the User may refer to the section Detailed information on the processing of Personal Data.

Personal Data (78.1%), Required Purpose (81.9%):

System logs and maintenance For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Personal Data (79.3%):

Hosting and backend infrastructure This type of service has the purpose of hosting Data and files that enable this Application to run and be distributed or to provide a ready-made infrastructure to run specific features or parts of this Application.

Organisational Measure (69.9%):

Changes to this privacy policy The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

Data Subject (62.9%):

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Personal Data (98.4%), Required Purpose (84.7%):

Definitions and legal references Personal Data (or Data) Any information that directly, indirectly, or in connection with other information including a personal identification number allows for the identification or identifiability of a natural person.

Non-Personal Data (94.7%), Personal Data (81.9%):

Usage Data Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the

computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

Data Subject (65.2%):

User The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Authority (88.6%), Processing (97.1%):

Data Processor (or Processor) The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Required Purpose (73.1%):

Data Controller (or Owner) The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application.

Personal Data (65.6%), Technical Measure (94.2%):

Tracker Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the Users device.
