DogByte Games

iPhone & Android Mobile Game Developer Privacy Policy Dogbyte Games is committed to not collecting personally identifiable or sensitive information about you.

Personal Data (99.0%):

We do not ask for your full name, email address, phone number or other personally identifiable as part of gameplay.

Personal Data (82.4%), Processing (94.5%), Required Purpose (98.6%), Third Party (90.0%):

The application does collect some non-sensitive, anonymous data as outlined below: Data collected for Advertising (Free Games only) Ad companies may use and collect anonymous data about your interests to customize content and advertising here and in other sites and applications.

Personal Data (98.4%):

Interest and location data may be linked to your device, but is not linked to your identity.

Data Controller (83.3%), Non-Personal Data (87.1%), Required Purpose (64.8%):

By collecting data on app usage and about your device and Generic geographic location, such as the city you are located in, we are better able to integrate updates, implement device specific testing, explore localisation opportunities and make better games that are tailored to our user's needs.

Required Purpose (96.1%):

When we offer our games as free-to-play, we still require the game to generate income to help fund development costs and efforts to make the best game possible.
