Policies & Terms of Services - ARS NETWORK: Leading IT Solutions in Canada and Malaysia Skip to content Contact us Support Client Login Home Our Services Domain Registration Business Web Hosting IT Consulting Research & Development Custom Software Development Mobile App Development Web Design & Development eCommerce Web Design FAQ Blog About us About us Why Choose Us?

Personal Data (91.1%):

This includes the compromise of credentials such as Client name and password.

Processing (99.0%), Required Purpose (78.0%):

Solely for the purpose of providing the Services, you hereby grant to ARS NETWORK the right and license to access, store and use any content provided by you, and to remove all or any portion of such content if you violate the provisions of the ARS NETWORK Service Agreement or this Agreement.

Processing (91.2%), Right (95.8%):

Use of the ARS NETWORK Services to infringe upon any copyright or trademark is prohibited.

Processing (94.4%), Required Purpose (86.1%):

ARS NETWORK may from time to time, and at any time, monitor your use of the Services to ensure your compliance with the provisions of this Agreement.

Automated Decision Making (91.3%), Personal Data (96.2%):

Payment ARS NETWORK provides subscription-based services that renew automatically on a recurring basis to prevent any disruption of said services.

Processing (91.4%):

Using a shared account as a backup/storage device is not permitted, with the exception of one cPanel backup of the same account.

Personal Data (99.5%), Required Purpose (66.1%):

Using payment information for Credit Card or PayPal at the time checkout will store that information on file for future use.

Personal Data (80.6%), Processing (97.3%):

All invoices will be paid automatically using the payment information stored on file with ARS NETWORK, such as Credit Card or PayPal.

Organisational Measure (72.9%):

Any Client who sends out spam will have such Clients account terminated, and may be terminated without notice.

Personal Data (84.5%):

ARS NETWORK also reserves the right to require all clients requesting more than 32 IP addresses to pay a deposit of up to \$250 in order to be allowed to send emails.

Organisational Measure (63.6%):

Transfers Our Support Engineers will make every effort to assist you with the move of your website or server to us.

Processing (78.0%):

Every hosting company is structured differently, and some hosting platforms retain data in an inconsistent or proprietary configuration, which may result in migration attempts being immensely difficult and possibly impossible to migrate partial or all account data.

Technical Measure (77.2%):

ARS NETWORK servers are setup with RAID to constantly mirror all data to a second disk.

Processing (91.3%):

You agree to take full responsibility for files and data transferred and to maintain all appropriate backups of files and data stored on ARS NETWORK servers.

Required Purpose (89.3%):

It is your responsibility to ensure the integrity of your backups.

Personal Data (76.6%):

Clients who receive a Domain Name with purchase of their Shared or Business Hosting will still

qualify for a refund, however, the cost of the Domain Name will be deducted from such refund.

Processing (76.5%):

Transfers are provided as a courtesy service, and ARS NETWORK does not make any guarantees regarding the possibility, prospect, or time required to complete a transfer of accounts.

Processing (63.1%), Required Purpose (79.6%):

The unlimited disk space and bandwidth may only be used to store and transfer files relevant to the website(s) being hosted.

Organisational Measure (76.6%):

In these extreme cases, the client will be notified of the need to upgrade.

Processing (77.0%):

Promotion Code Usage Any Client caught signing up with multiple accounts to take advantage of our promotion code offers will have their accounts merged, suspended, and billed for the full amount that would be due had the Client not created multiple accounts to take advantage of offers more than once.

Processing (60.7%):

Affiliate Abuse Any Client caught posting their coupon codes generated for affiliate payouts on public coupon code websites (such as RetailMeNot.com) will be promptly dropped from ARS NETWORK affiliate program.

Required Purpose (85.9%):

The purpose of our affiliate program is to gain new customers we would have otherwise not had the opportunity to meet.

Required Purpose (64.7%):

Attempting to profit from customers who are already looking for ARS NETWORK, is not how the program is intended to function.

Art. 17 Right to erasure (right to be forgotten) (92.0%), Organisational Measure (68.1%), Processing (68.7%):

If a Client violates the ARS NETWORK Service Agreement or this Agreement, ARS NETWORK will either give the Client warning, if ARS NETWORK so chooses, or immediately terminate/delete Clients account.

Organisational Measure (66.9%):

No warning is required.

Organisational Measure (90.5%):

In this event ARS NETWORK will provide all affected clients a minimum of 30 days notice.

Processing (78.7%):

Changes to the Agreement or the Services ARS NETWORK may modify, add, or delete portions of this Agreement at any time.

Organisational Measure (73.9%), Retention (86.9%):

ARS NETWORK will post a notice on the ARS NETWORK website for a period of 30 days before the effective date of any such change.

Contract (80.7%), Third Party (97.8%):

Attempting to cancel through any other form of contact, method, or actions taken with third parties would not be considered a valid cancellation request.

Organisational Measure (72.9%), Processing (84.4%):

All cancellations once confirmed, are processed immediately; resulting in the service and data stored being purged from our systems.

Retention (65.9%):

Server Abuse/Customer Abuse Any attempted attack against any ARS NETWORK server and/or Client being hosted by ARS NETWORK will result in automatic termination of the offending account with no refund including, but not limited to, no refunds for advanced payments, and a permanent banning of the offending Client.

Personal Data (95.2%), Processing (79.0%):

Upon termination of the services for any reason, user content, user websites, and other data will be deleted.

Personal Data (72.6%):

ARS NETWORK shared hosting may not be used for massive file storage systems, or backup storage solutions (including media files, emails, or other data).

Organisational Measure (85.4%):

Chargebacks and Disputes In the event that we are notified that a chargeback or other payment dispute is filed, your account will automatically be placed on hold.
