Privacy Policy

TikTok U.S.

Data Controller (91.2%):

(aTikToka, awea or ausa).

Consent (80.0%), Data Controller (97.3%), Data Subject (93.5%), Personal Data (73.3%), Required Purpose (97.8%), Right (70.1%):

We are committed to protecting and respecting your privacy.

Data Subject (71.0%), Personal Data (99.7%), Processing (99.7%):

This Privacy Policy explains how we collect, use, share, and otherwise process the personal information of users and other individuals age 13 and over in connection with our Platform.

Data Controller (94.7%), Non-Personal Data (82.4%), Personal Data (97.5%), Processing (98.4%), Required Purpose (96.3%):

Privacy Policy Last updated: Aug 19, 2024 This Privacy Policy applies to TikTok services (the aPlatforma), which include TikTok apps, websites, software and related services accessed via any platform or device that link to this Privacy Policy.

Legal Basis (74.8%), Personal Data (90.7%):

For information about how we collect, use, share, and otherwise process consumer health data as defined under Washingtonas My Health My Data Act and other similar state laws, please refer to the Consumer Health Data Privacy Policy.

Automated Decision Making (96.3%), Data Source (74.7%), Personal Data (89.7%), Processing (99.1%):

What Information We Collect We may collect information from and about you, including information that you provide, information from other sources, and automatically collected information.

Personal Data (94.1%), Processing (76.1%):

The Platform is provided and controlled by TikTok Inc.

Personal Data (99.5%), Processing (93.7%), Required Purpose (95.3%), Third Party (95.0%):

Information You Provide When you create an account, upload content, contact us directly, or otherwise use the Platform, you may provide some or all of the following information: Account and profile information, such as name, age, username, password, language, email, phone number, social media account information, and profile image.

Consent (95.9%), Non-Personal Data (73.5%), Personal Data (99.2%), Processing (91.8%),

Retention (85.2%):

User-generated content, including comments, photographs, livestreams, audio recordings, videos, text, hashtags, and virtual item videos that you choose to create with or upload to the Platform (aUser Contenta) and the associated metadata, such as when, where, and by whom the content was created.

Consent (97.9%), Processing (93.7%), Required Purpose (98.8%):

When you create User Content, we may upload or import it to the Platform before you save or post the User Content (also known as pre-uploading), for example, in order to recommend audio options, generate captions, and provide other personalized recommendations.

Processing (97.2%), Retention (97.2%):

Messages, which include information you provide when you compose, send, or receive messages through the Platform's messaging functionalities.

Technical Measure (92.0%):

They include messages you send through our chat functionality when communicating with sellers who sell goods to you, and your use of virtual assistants when purchasing items through the Platform.

Non-Personal Data (84.9%), Processing (92.5%):

That information includes the content of the message and information about the message, such as when it was sent, received, or read, and message participants.

Consent (78.0%), Personal Data (92.5%):

Information, including text, images, and videos, found in your device's clipboard, with your permission.

Processing (98.7%):

For example, if you choose to initiate information sharing with a third-party platform, or choose to paste content from the clipboard onto the Platform, we access this information stored in your clipboard in order to fulfill your request.

Personal Data (98.3%), Required Purpose (83.3%):

Purchase information, including payment card numbers or other third-party payment information (such as PayPal) where required for the purpose of payment, and billing and shipping address.

Personal Data (83.0%), Required Purpose (86.5%):

We also collect information that is required for extended warranty purposes and your transaction and purchase history on or through the Platform.

Personal Data (75.5%):

Your phone and social network contacts, with your permission.

Personal Data (99.6%):

If you choose to find other users through your phone contacts, we will access and collect information such as names, phone numbers, and email addresses, and match that information against existing users of the Platform.

Personal Data (99.4%):

If you choose to find other users through your social network contacts, we will collect your public profile information as well as names and profiles of your social network contacts.

Personal Data (86.6%):

Information to verify an account such as proof of identity or age. Information in correspondence you send to us, including when you contact us for support.

Consent (91.0%), Personal Data (72.9%):

Your choices and communication preferences.

Personal Data (98.8%), Required Purpose (75.5%), Third Party (86.8%):

Information From Other Sources We may receive the information described in this Privacy Policy from other sources, such as: If you choose to sign-up or log-in to the Platform using a third-party service such as Facebook, Twitter, Instagram, or Google, or link your TikTok account to a third-party service, we may collect information from the service for example, your public profile information (such as nickname), email, and contact list.

Third Party (98.7%):

Advertisers, measurement and other partners share information with us about you and the actions you have taken outside of the Platform, such as your activities on other websites and apps or in stores, including the products or services you purchased, online or in person.

Personal Data (92.9%), Required Purpose (96.3%):

These partners also share information with us, such as mobile identifiers for advertising, hashed email addresses and phone numbers, and cookie identifiers, which we use to help match you and your actions outside of the Platform with your TikTok account.

Required Purpose (97.2%):

Please be aware that messages you choose to send to other users of the Platform will be accessible by those users and that we are not responsible for the manner in which those users use or share the messages.

Data Source (77.3%), Processing (96.9%), Recipient (82.1%):

We may obtain information about you from certain affiliated entities within our corporate group,

including about your activities on their platform.

Data Source (74.6%), Personal Data (76.2%):

We may receive information about you from others, including where you are included or mentioned in User Content, direct messages, in a complaint, appeal, request or feedback submitted to us, or if your contact information is provided to us.

Authority (70.1%), Data Source (70.9%):

We may also collect or receive information about you from organizations, businesses, people, and others, including, for example, publicly available sources, government authorities, professional organizations, and charity groups.

Personal Data (91.5%), Retention (86.2%), Technical Measure (98.5%):

Automatically Collected Information We automatically collect certain information from you when you use the Platform, including internet or other network activity information such as your IP address, geolocation-related data, unique device identifiers, browsing and search history (including content you have viewed in the Platform), and Cookies.

Data Source (75.1%):

We collect information regarding your use of the Platform and any other User Content that you generate through or upload to our Platform.

A Device Information.

Art. 17 Right to erasure (right to be forgotten) (92.8%), Non-Personal Data (96.2%), Personal Data (93.0%), Required Purpose (71.3%):

We collect certain information about the device you use to access the Platform, such as your IP address, user agent, mobile carrier, time zone settings, identifiers for advertising purposes, model of your device, the device system, network type, device IDs, your screen resolution and operating system, app and file names and types, keystroke patterns or rhythms, A battery state, audio settings and connected audio devices.

Non-Personal Data (77.5%):

Capitalized terms that are not defined in this Privacy Policy have the meaning given to them in the A Terms of Service.

Personal Data (98.9%):

We automatically assign you a device ID and user ID.

Required Purpose (96.9%):

Where you log-in from multiple devices, we will be able to use information such as your device ID and user ID to identify your activity across devices.

Personal Data (75.6%):

We may also associate you with information collected from devices other than those you use to log-in to the Platform. A Location Data.

Personal Data (81.7%):

We collect information about your approximate location, including location information based on your SIM card and/or IP address.

Consent (87.3%):

Even if you are not a user, information about you may appear in User Content created or published by users on the Platform.

Personal Data (78.8%):

Current versions of the app do not collect precise or approximate GPS information from U.S.

Consent (80.5%), Processing (94.9%):

If you are still using an older version that allowed for collection of precise or approximate GPS information (last release in August 2020) and you granted us permission to do so, we may collect such information.

Personal Data (97.8%):

We may collect information about the videos, images and audio that are a part of your User Content, such as identifying the objects and scenery that appear, the existence and location within an image of face and body features and attributes, the nature of the audio, and the text of the words spoken in your User Content.

Required Purpose (99.6%):

We may collect this information to enable special video effects, for content moderation, for demographic classification, for content and ad recommendations, and for other non-personally-identifying operations.

Personal Data (99.0%):

We may collect biometric identifiers and biometric information as defined under U.S.

Personal Data (86.7%):

laws, such as faceprints and voiceprints, from your User Content.

Personal Data (81.8%):

In addition, we collect location information (such as tourist attractions, shops, or other points of interest) if you choose to add the location information to your User Content.

Automated Decision Making (83.8%):

When you upload or create User Content, you automatically upload certain metadata that is connected to the User Content.

Personal Data (92.0%):

It also includes information, such as your account name, that enables other users to trace back the User Content to your user account.

Required Purpose (79.5%):

If you apply an effect to your User Content, we may collect a version of your User Content that does not include the effect.

Recipient (79.3%), Required Purpose (97.4%), Technical Measure (98.8%), Third Party (97.1%):

We and our service providers and business partners use cookies and other similar technologies (e.g., web beacons, flash cookies, etc.) (aCookiesa) to automatically collect information, measure and analyze how you use the Platform, including which pages you view most often and how you interact with content, enhance your experience using the Platform, improve the Platform, provide you with advertising, and measure the effectiveness of advertisements and other content.

Required Purpose (99.5%):

We and our partners also use Cookies to promote the Platform on other platforms and websites.

Required Purpose (99.3%):

Cookies enable the Platform to provide certain features and functionality.

Required Purpose (84.2%), Technical Measure (94.7%):

Web beacons are very small images or small pieces of data embedded in images, also known as a pixel tagsa or a clear GIFs,a that can recognize Cookies, the time and date a page is viewed, a description of the page where the pixel tag is placed, and similar information from your computer or device.

Personal Data (93.4%):

We may link your contact or account information with your activity on and off our Platform across all your devices, using your email or other log-in or device information.

Required Purpose (98.8%):

We may use this information to display advertisements on our Platform tailored to your interests, preferences, and characteristics.

Processing (90.7%):

We may aggregate or de-identify the information described above.

Personal Data (78.2%), Required Purpose (99.2%):

How We Use Your Information As explained below, we use your information to improve, support and administer the Platform, to allow you to use its functionalities, and to fulfill and enforce our Terms of

Service.

Required Purpose (98.9%):

We may also use your information to, among other things, show you suggestions, promote the Platform, and customize your ad experience.

Required Purpose (96.2%):

We generally use the Information We Collect: To fulfill requests for products, services, Platform functionality, support and information for internal operations, including troubleshooting, data analysis, testing, research, statistical, and survey purposes and to solicit your feedback.

Required Purpose (99.6%):

To customize the content you see when you use the Platform.

Third Party (99.3%):

To send promotional materials from us or on behalf of our affiliates and trusted third parties.

Required Purpose (97.8%):

To improve and develop our Platform and conduct product development.

Required Purpose (92.4%):

To support the social functions of the Platform, including to permit you and others to connect with each other (for example, through our Find Friends function), to suggest accounts to you and others, and for you and others to share, download, and otherwise interact with User Content posted through the Platform.

Required Purpose (94.5%):

To use User Content as part of our advertising and marketing campaigns to promote the Platform.

Required Purpose (96.8%):

To understand how you use the Platform, including across your devices.

Personal Data (97.2%):

Information you share through surveys or your participation in challenges, research, promotions, marketing campaigns, events, or contests such as your gender, age, likeness, and preferences.

Personal Data (89.8%):

To infer additional information about you, such as your age, gender, and interests.

Required Purpose (86.9%):

To help us detect abuse, fraud, and illegal activity on the Platform.

Processing (93.6%), Required Purpose (97.8%):

To promote the safety and security of the Platform, including by scanning, analyzing, and reviewing User Content, messages and associated metadata for violations of our Terms of Service,

Community Guidelines, or other conditions and policies.

Required Purpose (97.3%):

To verify your identity in order to use certain features, such as livestream or verified accounts, or when you apply for a Business Account, to ensure that you are old enough to use the Platform (as required by law), or in other instances where verification may be required.

Required Purpose (92.6%):

To communicate with you, including to notify you about changes in our services.

Required Purpose (89.8%):

To announce you as a winner of our contests or promotions if permitted by the promotion rule, and to send you any applicable prizes.

Required Purpose (99.2%):

To enforce our Terms of Service, Community Guidelines, and other conditions and policies.

Consent (79.3%):

Consistent with your permissions, to provide you with location-based services, such as advertising and other personalized content.

Required Purpose (78.0%):

To train and improve our technology, such as our machine learning models and algorithms.

Processing (77.4%):

To combine all the Information We Collect or receive about you for any of the foregoing purposes.

Required Purpose (97.2%):

To facilitate sales, promotion, and purchases of goods and services and to provide user support.

Consent (74.5%), Processing (99.1%):

For any other purposes disclosed to you at the time we collect your information or pursuant to your consent.

Legal Basis (99.3%):

Profiling: We do not engage in profiling which results in legal or similarly significant effects, as defined under applicable law.

Legal Basis (95.3%), Required Purpose (86.5%):

How We Share Your Information We are committed to maintaining your trust, and while TikTok does not sell your personal information or share your personal information with third parties for purposes of cross-context behavioral advertising where restricted by applicable law, we want you to understand when and with whom we may share the Information We Collect for business purposes.

Required Purpose (97.8%):

Service Providers and Business Partners We share the categories of personal information listed above with service providers and business partners to help us perform business operations and for business purposes, including research, payment processing and transaction fulfillment, database maintenance, administering contests and special offers, technology services, deliveries, sending communications, advertising and marketing services, analytics, measurement, data storage and hosting, disaster recovery, search engine optimization, and data processing.

Personal Data (90.9%):

These service providers and business partners may include: Payment processors and transaction fulfillment providers, who may receive the Information You Provide, Information From Other Sources, and Automatically Collected Information but who do not receive your message data, including, in particular, the following third-party payment providers/processors: PayPal (<https://www.paypal.com/us/webapps/mpp/ua/privacy-full>) and Stripe (<https://stripe.com/en-ie/privacy>).

Personal Data (97.2%):

Researchers who may receive the Information You Provide, Information From Other Sources, and Automatically Collected Information but would not receive your payment information or message data.

Required Purpose (90.3%):

Within Our Corporate Group As a global company, the Platform is supported by certain entities within our corporate group, which are given limited remote access to Information We Collect as necessary to enable them to provide certain important functions.

Recipient (89.0%):

To learn more about how we share information with certain corporate group entities, see [here](#).

Not Required Purpose (91.1%), Required Purpose (74.7%), Right (94.1%):

For Legal Reasons We may disclose any of the Information We Collect to respond to subpoenas, court orders, legal process, law enforcement requests, legal claims, or government inquiries, and to protect and defend the rights, interests, safety, and security of the Platform, our affiliates, users, or the public.

Required Purpose (97.7%):

We may also share any of the Information We Collect to enforce any terms applicable to the Platform, to exercise or defend any legal claims, and comply with any applicable law. A With Your Consent We may share your information for other purposes pursuant to your consent or at your direction.

Third Party (74.5%):

We partner with third-party services (such as Facebook, Instagram, Twitter, and Google) to offer you a seamless sign-up, log-in, and content-sharing experience.

Third Party (98.0%):

If you choose to allow a third-party service to access your account, we will share certain information about you with the third party.

Processing (75.2%), Third Party (80.4%):

If you choose to engage in public activities on the Platform, you should be aware that any information you share may be read, collected, or used by other users.

Processing (99.2%):

These entities may use the information shared in accordance with their privacy policies.

Art. 16 Right to rectification (73.1%):

Your Rights You may submit a request to know, access, correct or delete the information we have collected from or about you at <https://www.tiktok.com/legal/report/privacy>.

Authority (92.2%), Right (87.2%):

You may be entitled, in accordance with applicable law, to submit a request through an authorized agent.

Legal Basis (76.9%), Personal Data (96.7%), Required Purpose (95.8%):

More information about requests that we received can be found here.^A While some of the information that we collect, use, and disclose may constitute sensitive personal information under applicable state privacy laws, such as information from users under the relevant age threshold, information you disclose in survey responses or in your User Content about your racial or ethnic origin, national origin, religious beliefs, mental or physical health diagnosis, sexual life or sexual orientation, status as transgender or nonbinary, citizenship or immigration status, or financial information, we only process such information in order to provide the Platform and within other exemptions under applicable law.

Personal Data (97.5%), Required Purpose (96.7%):

For example, we may process your financial information in order to provide you the goods or services you request from us or your driver's license number in order to verify your identity.

Consent (89.7%):

Your Choices You may be able to control some of the Information We Collect through your device browser settings to refuse or disable Cookies.

Consent (98.5%), Data Subject (70.1%):

For information about how we collect, use, share, and otherwise process the personal information of users under age 13 (aChildrena), please refer to our Childrenas Privacy Policy.

Processing (98.7%):

Some browsers transmit do-not-track signals to websites.

Organisational Measure (81.2%):

Data Security and Retention We use reasonable measures to help protect information from loss, theft, misuse, unauthorized access, disclosure, alteration, or destruction.

Processing (95.1%):

You should understand that no data storage system or transmission of data over the Internet or any other public network can be guaranteed to be 100 percent secure.

Processing (95.5%), Required Purpose (71.1%), Retention (89.9%):

We retain information for as long as necessary to provide the Platform and for the other purposes set out in this Privacy Policy.

Legitimate Interest (95.5%):

We also retain information when necessary to comply with contractual and legal obligations, when we have a legitimate business interest to do so (such as improving and developing the Platform, and enhancing its safety, security and stability), and for the exercise or defense of legal claims.

Processing (85.3%), Required Purpose (75.0%), Retention (93.4%):

For example, when we process your information such as your profile information to provide you with the Platform, we keep this information for as long as you have an account.

Required Purpose (80.1%):

If you violate our Terms of Service, Community Guidelines, or other conditions or policies, we may remove your profile immediately, but may keep other information about you to process the violation.

Personal Data (81.3%), Scale Non-EU (98.6%):

TikTok may transmit your data to its servers or data centers outside of the United States for storage and/or processing.

Scale Non-EU (96.3%):

Other entities with whom TikTok may share your data as described herein may be located outside of the United States.

Required Purpose (99.1%):

If you are a parent or guardian, our Guardian's Guide contains information and resources to help you understand the Platform and the tools and controls you can use.

Right (92.7%):

If you are a parent or guardian, depending on your state of residence, you may have the ability to exercise certain rights over your child's or teen's account.

Scale Non-EU (75.0%):

Other Rights Sharing for Direct Marketing Purposes (Shine the Light) If you are a California resident, once a calendar year, you may be entitled to obtain information about personal information that we shared, if any, with other businesses for their own direct marketing uses.

Data Subject (83.3%):

Content Removal for Users Under 18 Users of the Platform who are California residents and are under 18 years of age may request and obtain removal of User Content they posted by contacting us at: <https://www.tiktok.com/legal/report/privacy>.

Organisational Measure (82.4%):

When we update the Privacy Policy, we will notify you by updating the aLast Updateda date at the top of the new Privacy Policy, posting the new Privacy Policy, or providing any other notice required by applicable law.
