SUBARA Games Explore About Us Social Impact Careers Working with Us Open Position Support Help Creators Press Media Games Explore About Us Social Impact Careers Working with Us Open Position Support Help Creators Press Media Privacy Policy Effective date:

May 8, 2025 SUBARA is a brand used by multiple entities within the SUBARA group for the development and publishing of video games.

Consent (90.6%), Data Subject (81.2%), Personal Data (93.5%), Processing (93.0%):

We use a neutral age screen and local IP geolocation to determine if users are old enough to give consent in their country.

Non-Personal Data (91.7%), Technical Measure (92.7%):

If you're under the legal age in your jurisdiction to provide explicit consent, we do not activate any tracking tools and we only collect pseudonymized usage metrics for internal operations.

Art. 17 Right to erasure (right to be forgotten) (72.8%), Personal Data (99.7%), Processing (95.2%), Right (76.0%):

If we ever learn that we collected personal data from a child by mistake, we will delete it right away.

Personal Data (91.8%), Processing (96.5%):

If you're a parent and think your child has shared personal data, please email us at support (at) subara.com.

Organisational Measure (82.5%), Required Purpose (90.4%), Technical Measure (95.0%):

Non-personal information To help improve our services, we collect technical and usage information using tools like Firebase and Unity Ads/ironSource SDKs.

Required Purpose (94.2%):

This is necessary to support our internal operations and helps us understand how players use our games.

Third Party (80.9%):

This data is shared only with trusted partners who respect this policy.

Personal Data (99.3%), Processing (99.2%):

This happens on your device and the IP address is never stored or sent to our servers.

Personal Data (77.7%):

We do not track your physical location or use any GPS features.

Technical Measure (92.2%):

Third-party services Some parts of our content use third-party tools like Google Firebase or Unity Ads (ironSource).

Legal Basis (92.4%):

These tools may collect technical data, but only after asking for your permission if required by law.

Organisational Measure (89.1%):

Always check the privacy policies of those websites before using them.

Data Controller (74.5%):

Full Privacy Policy a Introduction Effective Date: May 8, 2025 At SUBARA Ltd.

Legal Basis (97.5%), Processing (95.4%):

This Privacy Policy explains how we collect, use, and safeguard personal information across our games and our website <https://subara.com>, in compliance with international privacy laws including the GDPR, COPPA, and others.

Consent (87.7%), Processing (99.2%):

(based in Ireland) acts as the Data Controller for all personal data processed through our services.

Organisational Measure (80.3%):

Children's Privacy We do not knowingly collect personal information from children under the legal digital age in their country (e.g., under 13 in the U.S., under 16 in parts of the EU).

Personal Data (97.4%):

This geolocation process is performed locally on the user's device and no IP address or location data is sent or stored.

Personal Data (79.3%):

If the user declares to be underage: we disable advertising identifiers (IDFA/AAID) but continue to collect pseudonymized analytics (App Instance ID only) for internal operations.

Legal Basis (85.6%), Non-Personal Data (98.1%), Processing (97.1%), Retention (92.2%), Technical Measure (93.6%):

Data We Collect, Store & Tools We Use We may collect the following data (with consent where applicable): - Device identifiers (e.g., IDFA, GAID) -> with the finality to obtain usage metrics, performance analysis and personalize advertising - Technical data: device type, OS, language, country, timezone -> with the finality to obtain usage metrics, performance analysis and personalize advertising - In-game events, crashes, usage behavior -> with the finality to obtain usage metrics and performance analysis We may store this data to support our internal operations: - We will only store it for as long as strictly necessary, and never more than 14 months - You have the right to ask us about deleting it at any moment by contacting us at support (at) subara.com We use trusted third-party tools: - Google Analytics for Firebase: <https://firebase.google.com/support/privacy> - ironSource SDK (Unity Ads): <https://unity.com/legal/ads-privacy> These services may collect technical or usage data for analytics and ad personalization, but only after obtaining user consent where legally required.

Required Purpose (85.0%):

If you're old enough, we ask for your permission to enable cookies, analytics, or personalized ads.

Legitimate Interest (93.2%), Organisational Measure (95.2%):

Legal Basis & Data Sharing We process personal data on the basis of: - Your consent (for tracking, ads, and analytics) - Our legal obligations - Our legitimate interests (only when user rights do not override them) We do not sell your personal data.

Consent (70.0%), Data Processor (72.6%):

We may share data with: - Service providers that operate on our behalf (e.g., analytics or ad networks) - Authorities, if required by law - Advertising partners, only with your consent International Transfers & Retention Some data may be processed outside your country.

Organisational Measure (80.3%), Processing (75.1%):

These transfers are protected using appropriate safeguards such as Standard Contractual Clauses or equivalent legal mechanisms.

Retention (83.2%):

Data retention is configured in Firebase Analytics for a maximum of 14 months per property.

Non-Personal Data (78.7%), Personal Data (72.0%), Retention (83.4%):

Once older than 14 months, individual records are purged; only anonymized, aggregate statistics are preserved indefinitely.

Retention (91.1%):

We retain personal data only as long as necessary for the purposes for which it was collected or as required by law.

Retention (90.3%):

Once data is no longer needed, we securely delete or anonymize it.

Required Purpose (98.5%):

Cookies, Security & Updates We may use cookies and SDKs to enhance gameplay, measure usage, and show relevant ads.

Organisational Measure (71.8%):

Geolocation and tracking We use local IP geolocation only to check the user's country and apply the right privacy rules according to it.

Organisational Measure (89.8%):

This includes encryption, access control, and internal audits.

Organisational Measure (77.8%):

If changes are material, we will notify you within our games or on our website and, where necessary, ask for renewed consent.

Consent (82.7%), Required Purpose (94.2%):

Here are the cookies we use (only enabled with your explicit consent when necessary by law): _ga - Google Analytics (Firebase SDK) - Distinguish unique users across sessions, to support internal operations.

Legitimate Interest (95.4%):

Legal Basis Legitimate interests: We process pseudonymized usage data (App Instance ID and event logs) on the basis of our legitimate interests in understanding, improving, and securing our Services.

Processing (77.1%), Third Party (92.2%):

This processing is strictly limited to internal analyticsasuch as retention, cohort analysis, and performance monitoringaand does not involve profiling, marketing, or sharing with third parties for advertising purposes.

Consent (80.6%):

Consent: For any processing that goes beyond internal analyticsasuch as setting cookies for personalized advertising or enabling third-party trackingawe will obtain your explicit consent in advance.

Consent (70.4%), Organisational Measure (74.3%):

You may grant, refuse, or withdraw consent at any time via our Consent Center or in your account

settings.

Processing (85.3%):
