This policy describes how King collects, uses, processes and shares information about you. This Privacy Policy applies to your download, access and/or use of King Games, whether on your computer, on a mobile device, on our website www.king.com (the "Website") or any other website, device or platform (each a "Game" and together the Games).

Consent (83.9%), Data Source (73.5%), Processing (96.4%), Required Purpose (96.0%), Third Party (73.8%):

It also applies to our Marketing and Advertising activities on all platforms and other Services that we will provide to you from time to time including campaigns with influencers.

Consent (95.9%), Non-Personal Data (75.1%), PAD (100.0%), Personal Data (73.0%), Processing (98.0%), Required Purpose (70.9%), Retention (79.0%), Third Party (97.1%):

This Privacy Policy also applies to any other Services that we may provide in relation to our Games or our Website, such as customer support, social media, community channels and other websites that we may operate from time to time such as candycrushsaga.com (we refer to all our Games and other services collectively as our "Services"). If you apply for a job at King, this Privacy Policy does not apply to you, you can visit the Candidate Privacy Notice [here](#). When you download, access and/or play our Games, or interact with our Websites or other Services you acknowledge the collection and use of your information in accordance with this Privacy Policy, including Kings and our advertising partners use of your data for targeted advertising purposes as described in the Marketing and Advertising sections of this Privacy Policy.

Personal Data (99.7%), Required Purpose (84.6%):

Those sections also explain how you can opt in or out of the use of your personal information for targeted advertising purposes.

Processing (95.5%):

If you have any concerns about providing information to us, or it being used as described in this Privacy Policy, you should not use our Games or other Services. This Privacy Policy was last updated on 10.Feb.2025.

Welcome to the King Privacy Policy.

Data Source (84.4%), Non-Personal Data (93.1%), Personal Data (99.0%):

Most of this information comes directly from you or your device, such as device information, country, region, and game-play information.

Required Purpose (90.5%):

We will also use it for the other purposes set out in this Privacy Policy, including for Marketing and Advertising purposes.

Consent (97.1%), Data Source (77.0%), Legal Basis (98.7%), Non-Personal Data (65.6%), Personal Data (99.5%), Processing (98.3%), Recipient (79.5%), Required Purpose (98.9%), Retention (80.6%), Technical Measure (98.9%), Third Party (99.0%):

We will also collect information from advertising platforms and partners and other third parties such as information about your purchases and interests. In more detail, depending on which of our Services you interact with, we will collect and process the following types of information: information about how you use and interact with our Games, advertising and other Services (for example, information about how and when you play our Games or visit our Websites, what device you use to access our Services or details as further set out in King Profile and playing socially below); information that you provide us with when you fill in forms, answer questions or complete surveys when using any of our Services, when you create an account with us, including your email address or if you invite your friends to use our Services; in certain jurisdictions, we collect your date of birth and/or your age to comply with applicable local regulations; location information, including state, country or, if enabled by you in your device settings, precise geolocation; the content of messages sent using our chat and messaging systems; if you contact us, for instance through our customer service channels, or respond to messages and communications that we send to you, we

will keep a record of that correspondence; your interactions with us on our social media channels; information we collect via cookies and other similar technologies, as explained further below; information as further set out in this Privacy Policy, including King Profile and playing socially, Marketing, and Advertising; information we collect about you from our other Group Companies or other third party companies who have obtained your consent or have another legal basis to share such information with us (including publishing partners, platforms, advertising platforms and partners and data aggregators).

Personal Data (77.6%), Required Purpose (75.7%):

We use this information to provide our Games and Services to you, including for the purposes of optimisation, preventing fraud, customising in-game offers and verifying purchases.

Non-Personal Data (88.3%), Personal Data (98.6%), Required Purpose (83.6%), Technical Measure (91.0%):

We will collect device level identifiers and other information associated with those identifiers including: the type of device(s) you are using to play our Games or access our other Services, identifiers such as IP address, device identifiers, ad identifiers, a King-specific player ID, and the country, region or, if enabled by you in your device settings, the precise geolocation in which you are playing in; and how you play our Games and interact with our Websites or other Services (such as which of our Games you are playing, your progress through the Games, session time and duration, number of attempts at each level and purchases made).

Consent (79.6%), Non-Personal Data (82.9%), Processing (97.1%):

Broadly, the information we collect about you relates to the type of device you are using, how you play our Games (such as levels attempted and purchases made) and will include information that you submit when creating an account with us or which you allow us to access when you connect to your Social Network accounts through our Games or other Services.

Personal Data (99.6%), Processing (61.3%), Required Purpose (98.5%):

In some instances, when you make purchases on or through our Websites, we will collect certain payment information from you on behalf of our payment service providers, but this information is temporarily cached in a way that is unreadable by King.

Personal Data (99.6%), Processing (91.3%):

Unless otherwise stated we do not collect or retain credit card information.

Processing (98.8%), Required Purpose (97.7%), Third Party (76.2%):

Our payment service providers will provide us with information about your purchases so that we know if a purchase has been successful. When you purchase items in our mobile apps through the

App Store, on Facebook or on Google Play or purchase and redeem gift vouchers for our Games, we do not collect or store any payment information from you. We will from time to time ask you for your consent to collect other information from you or your device.

Required Purpose (97.1%):

For instance, we will invite you to allow us to access your contacts to enable us to invite them to play our Games with you.

Art. 17 Right to erasure (right to be forgotten) (78.5%), Consent (71.7%), Contract (72.7%), Legal Basis (90.8%), Legitimate Interest (76.0%), Organisational Measure (72.2%), Processing (83.2%), Required Purpose (93.9%), Right (97.8%):

If we do this or something similar, we will tell you what information we would like to collect, why we need it and what we will use it for. We, our partners and Group Companies, will use this information: to enable us to provide our Games and other Services to you, to ensure that any purchases you make are verified on our servers and activated in the Games, and to provide you with player support if you need it; to enable us to optimise our Games for you and for the device that you are using, as well as to deliver customised in-game events, offers and promotions; for the other purposes as set out in this Privacy Policy, including for Marketing and Advertising purposes; and to enable us to comply with laws that apply to us, to prevent fraud, to ensure compliance with our Terms of Use or where necessary to defend, exercise or establish our legal rights including our rights under our Terms of Use (<https://king.com/termsAndConditions>).

Processing (99.5%), Required Purpose (98.7%), Technical Measure (87.9%), Third Party (95.1%):

We will also share your information with third party publishers who develop and provide Games and other Services to you on our behalf. We analyse and use the information that we collect on a de-identified or aggregated basis for product development, to analyse the performance of our Games, to troubleshoot and to improve and optimise our Games to ensure the best player experience for our players as a whole. A more detailed description of some of the ways that we use your information is set out below and in the other sections of this Privacy Policy, including our section containing disclosures for US residents. Providing and optimising our Services We use your information to enable us to provide our Websites, advertising and other Services to you and to optimise all of them so that we can make them the best they can be for you and all our players.

Required Purpose (98.2%):

This will include use and analysis of aggregated data to make sure that our Websites work properly on all devices and are as enjoyable as they can be for all our players. We use Artificial Intelligence

(AI) to personalise gameplay elements, such as adjusting level difficulty based on your progress, for example by suggesting challenges suited to your skill level and offering in-game items like boosters or lives at the moments they are most relevant to you.

Consent (88.0%), Required Purpose (97.0%):

Additionally, we optimise game features and monetisation strategies by tailoring special offers and personalised deals based on your playing habits or preferences.

Required Purpose (95.7%):

AI also enhances customer support by analysing query details, gameplay data, and other relevant information to route your requests to the most appropriate support resources.

Legitimate Interest (84.4%), Required Purpose (97.8%):

When we process your personal information to develop, train and improve our AI to enhance your overall experience when using our Games and Services, we rely on legitimate interest. Chat Some of our Services include chat functionality.

Data Subject (67.7%), Third Party (80.1%):

Users of our chat service(s) can send messages to other players, or to King customer service.

Art. 17 Right to erasure (right to be forgotten) (65.9%), Processing (97.9%), Required Purpose (96.2%):

Your messages will be used and stored by us: (a) to convey your messages; and (b) to enable you and your recipients to view your message history (although please note that after 30 days your in-game chat messages will no longer be accessible).

Legal Basis (95.8%), Processing (87.7%), Required Purpose (92.2%), Technical Measure (94.3%):

We reserve the right to monitor and review the content of your messages, in accordance with applicable laws and regulations, including by using automatic filters and/or AI tools, to prevent toxic and abusive behaviours and to ensure that you are complying with our Terms of Use.

Required Purpose (86.4%):

We also reserve the right to prevent your use of our chat service(s) or to block the sending of any message for any reason.

Required Purpose (99.8%):

We will not use the content of your chat messages for any other purpose. Customer Services We use your information, including information that you provide directly to us in communications, to provide you with support through our customer service channels at your request when you need it.

Required Purpose (96.2%):

Finally, we will use your information to manage your account and relationship with us and improve your experience when you use our Services. One of our customer service channels is the King Community website (<https://community.king.com>).

Required Purpose (97.8%), Technical Measure (80.5%):

For information about what information we collect and process when you use the King Community website, see Visiting our Websites below. Analytics and Research We use analytics tools, which will include third party analytics tools, to collect information about how you play our Games or use our other Services.

Technical Measure (93.4%):

Those tools will use cookies or other similar tracking technologies.

Required Purpose (94.2%):

We will use your information to carry out research, surveys or to engage directly with you, for example by sending you communications (including by email), for these purposes.

Required Purpose (97.7%):

We will also create reports, analysis, or similar services for use by us for the purposes of research or business intelligence, for example to track potential problems or trends with our Services, or to test out new game features and content. Social and Community We have several social and community channels which we use to communicate with our players.

Consent (95.6%), Processing (95.7%), Required Purpose (93.7%):

If you choose to interact with those channels, we will receive your information and use it in connection with those channels, including to engage with you.

Personal Data (99.5%), Processing (80.5%), Required Purpose (93.9%):

We will also republish your posts to those channels and these will be available to those with access to those channels, which may be public. Promotions and Competitions From time to time we will run promotions or competitions during which we will collect certain personal information from you, such as your name, address, post code, email address or other information or content submitted in order for you to claim a prize.

Required Purpose (89.7%):

Those competitions will have their own specific terms and conditions, but we will use personal information that you provide in relation to that competition for the purposes of running the competition.

Personal Data (77.0%):

We will also publish the names and entries of competition entrants.

Personal Data (96.5%), Processing (99.3%), Required Purpose (82.7%):

That information will also be combined with your King Profile and other account information and will be processed, stored, and shared in accordance with this Privacy Policy. QR codes: When you scan a QR code either to invite friends to download any of our Games, or to participate in promotions and similar activities, we will collect information from you, such as your device ID, your location, your unique visitor ID, the device used, IP address, time and date of the scanning.

Art. 15 Right to access by the data subject (63.3%), Personal Data (99.4%), Processing (69.6%), Required Purpose (99.8%):

If a third party provides the QR code they will collect this information from you and we encourage you to read their privacy policy to know how they will process your personal information. Cheating, crime toxic and abusive behaviour, and fraud prevention We will use personal information that we hold to prevent cheating, crime, toxic and abusive behaviour, or fraud.

Required Purpose (98.1%):

We monitor our Games and other Services, using different tools, including AI tools, to detect such activities.

Legal Basis (98.2%), Processing (76.4%), Required Purpose (97.0%):

We will process your personal information to monitor your account for anomalous player behaviour, this will help us to ensure the Game is fair between players. We will also need to pass your information to fraud prevention agencies and other organisations involved in crime and fraud prevention, such as the police or other public bodies or entities where we are required to do so. Legal uses We will use your information as required or permitted by any applicable law.

Personal Data (67.1%), Required Purpose (98.7%), Scale EU (81.9%):

For example, if you live in the European Union, this includes providing VAT invoices where we are required to do so by applicable law or where requested by you. Location-based Features If you enable the collection of precise geolocation, in some countries we use this data to provide news, updates and offers from King, as well as partner deals that respond to your proximity to certain real-world locations.

Required Purpose (82.1%):

Your data is used and shared strictly for the purposes outlined in this Privacy Policy.

Non-Personal Data (74.6%):

Visiting our Websites When you visit our Websites, such as <https://community.king.com>, <https://king.com>, <https://candycrushsaga.com>, and other Websites operated by us (Websites), we collect information about you, such as details about how you use and interact with such Websites.

Required Purpose (92.3%):

We will use the information we collect about you for a number of purposes, including operating and optimising the Websites, in connection with our advertising purposes, and for research or analysis.

Consent (87.0%), Retention (91.1%):

Third Party (90.5%):

King Profile and Playing Socially You can choose to use a third party social network (such as Facebook) to add information to your King Profile or to connect to your account.

Required Purpose (73.9%):

If you do this, then your personal information will be visible to other players and we will also use it for the other purposes set out in this Privacy Policy, including for Marketing and Advertising.

Personal Data (98.7%):

If you choose to create an account this will add your personal information to your King Profile, such as your first and last name, avatar, email address or other information.

Personal Data (77.4%), Third Party (97.0%):

If you choose to create an account by adding personal information to your King Profile, it will be visible to your friends and other players anywhere in the world.If you choose to view another individual's King Profile, that individual and other users of our Services will know that you have visited them because some of your social information and a link to your King Profile will be displayed on that individual's King Profile.Connecting with a third party network Where we make this available,

you can choose to log in to your King Profile using your account details with a third party network, such as Facebook or Apple.

Automated Decision Making (88.4%):

If you choose to play our Games online on the desktop version of Facebook.com, your basic Facebook account information will automatically be associated with your King Profile.

Consent (89.3%), Personal Data (99.5%):

Exactly what information we receive will depend on your settings in your Facebook account, but typically we will receive your basic public profile information such as your username, age range, gender, chosen language, country, as well as your email address and friend list if you permit us to access this information. We will also collect the email account associated with your Facebook account and the name and avatar of those of your Facebook friends that are already playing our Games, if you allow access.

Legal Basis (98.5%), Required Purpose (92.3%):

If you provide us with your email address we will from time to time use that email address to send you marketing emails about our other Games and Services, in accordance with applicable laws.

Consent (90.6%), Personal Data (92.2%):

If you do not wish your Facebook friends to be able to see you and your progression in our Games, you can prevent this by disconnecting from Facebook within our Games and updating your app permissions for our Games from within your Facebook settings. We would recommend that you read Facebooks Privacy Policy (<https://www.facebook.com/privacy/policy/>) and review your privacy settings from time to time to make sure that you understand fully how your Facebook data is shared. Information we receive from Apple If you log in to your King Profile using your Apple account details, we will receive some of your Apple account information.

information that we might acquire from our third party marketing partners or other third parties who have obtained your consent or have another legal right to share that information with us.

Consent (95.6%), Required Purpose (99.3%):

Advertising partners When you play our Games or use our other Services, identifiers and other information from your device is collected and shared with our advertising partners to enable the technical delivery of ads to your device. Our advertising partners will combine this information with information which they have collected about you when you use their services (or the websites or services of third parties) in order to serve you more relevant ads in our Games or to improve the accuracy of their targeting and measurement systems. If you consent to, or are opted into, the collection and use of your data for targeted advertising purposes by our advertising partners your information will be used as set out in this section and as further described in our partners' privacy policies.

Consent (80.0%):

You can refuse or withdraw your consent to such use at any time - for more information, see [How to adjust your preferences for targeted advertising](#). How to adjust your preferences for targeted advertising You can choose to prevent your device's ad identifier being used for interest-based advertising (referred to as personalised ads, cross-contextual ads or targeted ads) by updating the settings on your device. When we record that your preference is not to be shown targeted advertising, you will still be able to play our Games and you will still see advertising in our Games, but those ads will not be targeted using information that our advertising partners hold or collect about you.

Consent (66.7%), Scale Non-EU (76.8%):

However, you will still receive ads based on criteria such as the Game you are playing, the content of that Game, or the region in which your device is located. Players in the United States should review the US residents section to know more about the sale and sharing of personal information and options available to residents of some states. For players outside the US: If you would prefer that your personal information is not processed to receive targeted ads in a particular Game, you can update your preferences via the Privacy and Security setting in that Game.

Organisational Measure (62.2%):

If you would prefer that Facebook does not use your personal information for targeted ads, you need to log into your Facebook account and update your settings there. Opting out of targeted advertising at device level: You can choose to prevent your device's ad identifier being shared and used for targeted advertising by changing the settings of your device.

Organisational Measure (68.4%):

On some devices it may be possible to reset your device's ad identifier.

Required Purpose (99.4%):

Ad identifiers, cookies and similar technologies To provide our Games and other Services, Websites and targeted advertising, we use ad identifiers, cookies and similar technologies.

Required Purpose (96.1%):

Find out more Ad identifiers, cookies and similar technologies are used by us to provide our Services to you and to collect information from your device.

Required Purpose (99.6%), Technical Measure (83.0%):
